## **St. Cloud State University 2005-06 Men's Basketball Outlook**

After graduating four seniors, including a two and a three-year starter, the St. Cloud State University men's basketball team will return two starters and seven letterwinners in 2005-06. The departing seniors included All-North Central Conference player Nate Miller at guard and the NCC's Defensive Player of the Year Steve Trull at forward. Miller led the Huskies in scoring with 17.3 points per game. Trull led the team in rebounding with 6.4 boards a game and was third in scoring with 9.8 points per game.

The Huskies posted a 21-8 overall record and finished third in the NCC with a 7-5 mark. SCSU advanced to the semifinals of the Wells Fargo Finals where the season came to an end in an 80-56 loss to the University of South Dakota.

St. Cloud State will have a strong nucleus of players in 2005-06. "We have skilled people at each position," said ninth year head coach Kevin Schlagel. "The key to our team will be to find a go to player. We are a deep team with a lot of guys who have the ability to play. Hopefully that will make us more of an up tempo team."

The returning starters include senior Matt Siegle in the front court and junior Adam Sullivan in the back court. Siegle, at center, has been a two-year starter and last season averaged 10.9 points and 4.4 rebounds. He had a streak of nine straight games of double figure scoring during the 2004-05 season. Sullivan started all 25 games he played in 2004-05 and averaged 7.1 points per game.

Other returning players with experience include senior guard Pat Weihert, junior forward Zac Campbell, junior center Eric Bergstrom, and sophomore guards David Dreas and Eric Greene.

Dreas collected the most playing time of the group and is the veteran at the point guard position. He averaged 18.3 minutes of playing time per game. "David had a very good freshman year and we look for him to be a leader at guard this season," Schlagel said. Joining Dreas at the point will be newcomer Spencer Bartz. Bartz is an excellent shooter and should help the Huskies in transition.

Weihert and Green will compete behind Adam Sullivan for playing time at the two spot. According to Schlagel, they are good shooters with the ability to stretch the defense.

Campbell, along with two newcomers, Kelly Byrne a transfer from Kansas City Kansas Community College and Bobby Morrow will all compete at the three spot. Campbell sparked the Huskies off the bench last season and is the team's best defensive player. Byrne is known for his three-point shooting and Morrow is probably the best athlete on the Husky roster.

Another newcomer, Craig Coenen will add strength at the four spot behind Matt Hanson. Coenen is a strong, athletic player with good defensive skills.

Bergstrom, at seven feet is the Huskies big man. He showed flashes his sophomore year of having the type of ability that could make him a major force in the league. He played in 27 games in 2004-05 and averaged 3.6 points and 1.6 rebounds.

Coach Schlagel expects all four Husky newcomers, Bartz, Byrne, Coenen, and Morrow to contribute immediately. "They all bring things to the club that we need and we look for them to contribute right away."
