

Coach Giesen helped collaborate the "Skate for a Cure" series with Minnesota State University, Mankato for the two home-and-home series this past 2007-08 season. Both the Huskies and Mavericks wore special jerseys, which incorporated the color pink, in honor of breast cancer awareness. The women's hockey team sold "Skate for a Cure" honor skates, pink bracelets and black t-shirts to raise money. The theme was a success, as SCSU collected \$1,500 in proceeds, which were presented to the St. Cloud Hospital Breast Center of the Coborn's Cancer Center prior to the home game against the Mavericks on Feb. 1, 2008, in the National Hockey Center.

Minnesota State Mavericks and St. Cloud State Huskies

Laura Fast

Deb Tischmak dropped the puck for the second Skate for a Cure game, along with her three daughters, Amber, Ashley and Brittany.
