DIAMOND CLUB Mission

The purpose of the Husky Softball **DIAMOND CLUB** is to supplement the SCSU Softball team budget, create a loyal and supportive fan base, and to allow the program an opportunity to succeed with the necessary resources to make it one of the best softball programs in the Northern Sun Intercollegiate Conference. Not only is the club about fund-raising, but about supporting St. Cloud State Softball and becoming a part of our TEAM with your support and backing! Loyal fans and supporters are what make up the backbone of any successful program. The **Diamond Club** plays an important role in allowing our dedicated student-athletes to achieve excellence and creating opportunities for the program it might not have without your support. The **Diamond Club** is an integral part of creating lasting memories for our current players, coaches, alumni, families, and supporters.

- * Improving the Student-Athlete experience annually for the players by being able to provide them opportunities and equipment.
- * Creating a sense of community within the St. Cloud State Softball program.
- * Involvement in the many activities held through the year such as Senior Day, Pot Luck Dinner, and Family/Alumni Weekend.
- * Provide funds for additional coaching staff support.
- * Allow for updates and improvements of our home game field, Selke Field.
- * Create a St. Cloud State Softball Hall of Fame Recognition Award where a team or individual will be honored annually for their contribution to the history of the softball program.
