

August 29, 2011

Dear Husky friends and alumni,

Hello and I hope the past year has gone well for you. As I enter my eleventh season as the SCSU Men and Women's Swimming and Diving Coach, I look for this to be one of our most successful and exciting seasons to date. The women's squad is returning a strong nucleus of seniors as well as many talented underclassmen. The men's squad will once again be one of the strongest groups since my arrival at St. Cloud State University. The senior class is very talented and with another excellent group of first years joining us, we will be very tough to beat.

The last ten years have been very exciting, both athletically and academically. We have built a solid foundation for both the Men and Women's program. Last year, the men and women's teams won the conference championships. At the national level, the women's team finished 19th and the men finished 17th. In addition to their athletic success, both squads earned Academic All American status; with 6 women and two males receiving individual Academic All American Awards. We would never have the success we do or the ability to provide a quality experience for all of our student athletes without the contributions and donations from Alumni.

We are continuing to build our relationship with Alumni and one of the ways we do this is with our Annual Alumni meet; we will be having the meet on **Saturday, October 8th at 5:00 pm**. You will find an attached agenda and an RSVP. We have also attached information pertaining to our **new facebook site**, our new **twitter account**, how to donate to the swimming and diving team online and information about **the Lane 7 Booster Club**. If you know of any Alumni who are not on our mailing list, but you know their address or e-mail, it would be greatly appreciated if you could forward that to us. You can also reply by e-mail if you will be attending. Following the meet there will be a social for all Alumni and their families. The social will take place in a private room in the Martini Club (right next to the Red Carpet) in downtown St. Cloud, from 7:00-9:00 pm.

I would like to thank everyone for all of the support you have given to the program in the past as well as the future. The tradition of the Husky Swimming and Diving program can only be attributed to you as Alumni and we hope you are able to participate in this great event.

Thank you and take care,

Jeff Hegle
SCSU Swimming and Diving Coach
