THANK YOU FOR SUPPORTING THE HUSKY BASEBALL PROGRAM!

## DEAR HUSKY BASEBALL FANS:

We are excited to be entering our second year of the Husky Dugout Club. It's an exciting time to be involved with the SCSU Husky baseball program!

The Huskies are primed to be a strong competitor in the very competitive Northern Sun Intercollegiate Conference, which SCSU will join in 2008-09.

We are asking for your contribution to support our ability to remain competitive with the best Division II baseball programs in the country. We thank you for your support and hope that you will follow the exciting upcoming Husky baseball season.

The Dugout Club will be very instrumental in a number of endeavors that benefit the Huskies. A few of these are mentioned below:

- Sponsoring the annual Husky Baseball Golf Tournament and First Pitch Pre-Season Banquet.
- Hosting pre-game tailgate events for Dugout Club members.
- Sponsoring noon lunches for Dugout Club members throughout the year.
- To assist in the development of an outdoor practice facility.
- To establish an extensive database of former SCSU players and friends of Husky Baseball and corporate and individual sponsors and to enhance communication with these parties in order to promote Husky Baseball.
- To educate and inform selected local, state and national high school and junior college coaches of the benefits of being a baseball program student-athlete at SCSU.
- To assist baseball players in transitioning after graduation to a selected profession or onto professional baseball.

Hope to see you at the ballpark!

*Yours in Husky Baseball,*

**Pat Dolan**
