Dear Husky Wrestling Fans,

We are excited to be entering into the 61st year of collegiate wrestling at St. Cloud State University.

St. Cloud State University has a long and proud tradition of wrestling dating back to the 1950's. Over 60 All-Americans have competed at St. Cloud State including 12 national champions and 3 Olympic team members.

The 2011-12 season will bring a variety of new faces and changes to the program. In addition to an abundance of returning talent, the coaching staff has diligently worked hard to bring in a successful recruiting class. Over sixteen new student-athletes will join the Husky Wrestling program this fall!

To continue our rich tradition, Husky wrestling is requesting your help. Currently, the SCSU wrestling program is in the process of raising money for the 2011-12 wrestling season. Funds raised will go directly to supplement the wrestling operational budget and to help the program remain competitive with the top NCAA DII wrestling programs in the country.

Here are some of the benefits that your contribution will help us accomplish:

- Hosting and sponsoring annual parent, alumni and friend socials.
- To improve training equipment.
- To enhance wrestling training facilities.
- To improve Husky wrestling recruiting efforts.
- To cover expenses for the end of the season wrestling awards banquet.
- To cover additional expenses that a strict college budget cannot.

Thanks in advance for your support and consideration. We will see you at the mats!

Yours in Husky Wrestling,
Steve S. Costanzo
