

REHEARSAL SPACE GUIDLINES

The Ballroom, Brickyard, Ritsche and Theatre are requested most often but may not always be available because of their high demand. The following guidelines have been established to meet the needs of organizations that require numerous rehearsal times while balancing the ongoing demands placed on our facilities.

Because a higher priority is given to events or programs, up to two rehearsals can be scheduled anytime in advance. Additional rehearsals can be schedule up to 7 days before the desired date of the rehearsal. All rehearsals should be scheduled a minimum two days in advance when possible.
