## 2:00pm Wrap Up

# Fall Mississippi River Clean Up!

Sponsored by SCSU Outdoor Endeavors

*Everyone lives downstream.*

*-Mark Twain*

Join Outdoor Endeavors in protecting the Mississippi River! Our bi-annual clean up efforts have resulted in thousands of pounds of garbage removed from the Mississippi River along our campus. Everyone is welcome at this event so bring your friends! Lunch, gloves and garbage bags are provided!

This event is registered as part of our ongoing effort with the State of Minnesota Adopt A River Program. Help us keep it clean for everyone!

We ask that all interested in participating call Outdoor Endeavors to get on the registration list!
