

Career Information for Film Studies

A College of Fine Arts and Humanities Major

General Overview Information

The Film Studies program teaches skills that employers seek in college graduates. Students learn to analyze information and organize it into a persuasive written argument. They develop their skills to create audio-visual presentations for workshops, seminars, and marketing campaigns using digital cameras and computer editing systems.

Do You Have These Characteristics?

Audio/Video Production · Critical Thinking and Writing
Visual Literacy · Basis for Graduate School
