

**Proposed Program of Graduate Study
Track 3: Instructional Design and Training
Plan A**

Course Type	Name of Course	Instructor	Sem./Yr.	Credits	Grade
Research: 9 credit min.	IM 608: Research Methods in Media			3	
	IM 699: Thesis			6	
Total Credits in Research				9	
Major Core: 14 credit min.	IM 502: Information Media: Theory, Research and Practice			2	
	IM 504: Instructional Design I			3	
	IM 552: Access to Information			3	
	IM 554: Developing Skills for Online Learning			3	
	IM 555: Design and Preparation of Multimedia Presentations I			3	
Total Credits in Major Core				14	
Applications: 13-17 credit min.	IM 632: Training/Human Resource Development			2	
	IM 634: Instructional Design II			3	
	IM 638: Organizational Training and Media Management			3	
	IM 646: Facilitating and Administering E-learning			3	
	IM 656: Computer-based Authoring			3	
	IM 680: Internship			2-6	
Total Credits in Applications				13-17	
Electives: 2-6 credit min.					
Total Credits in Electives				2-6	

Course sequencing

Preliminary course work: Students should take IM 502, 554, and 632 early in the program.

Culminating course work: Students complete the program by taking IM 634, 680, and 699.

Minimum credits for graduation: 42 credits, including thesis

Program requirements:

1. Credit limitation on transfer and extension credits (combined): 15 credits.
2. Credit limitation on Workshop: 6 credits.
3. Required: One-half of the minimum requirements must be earned in 600-level courses.
4. All courses (including transfer credits) used in meeting requirements for a master's degree must be earned within seven (7) years prior to the awarding of the degree.

Date of first class: _____ Date program must be completed: _____

Track 3: Instructional Design and Training
Plan B

Course Type	Name of Course	Instructor	Sem./Yr.	Credits	Grade
Research: 5 credit min.	IM 608: Research Methods in Media			3	
	IM 697: Starred Paper			2	
Total Credits in Research				5	
Major Core: 14 credit min.	IM 502: Information Media: Theory, Research and Practice			2	
	IM 504: Instructional Design I			3	
	IM 552: Access to Information			3	
	IM 554: Developing Skills for Online Learning			3	
	IM 555: Design and Preparation of Multimedia Presentations I			3	
Total Credits in Major Core				14	
Applications: 13-17 credit min.	IM 632: Training/Human Resource Development			2	
	IM 634: Instructional Design II			3	
	IM 638: Organizational Training and Media Management			3	
	IM 646: Facilitating and Administering E-learning			3	
	IM 656: Computer-based Authoring			3	
	IM 680: Internship			2-6	
Total Credits in Applications				13-17	
Electives: 3-7 credit min.					
Total Credits in Electives				3-7	

Course sequencing

Preliminary course work: Students should take IM 502, 554, and 632 early in the program.

Culminating course work: Students complete the program by taking IM 634, 680, and 697.

Minimum credits for graduation: 39 credits, including starred paper

Program requirements:

1. Credit limitation on transfer and extension credits (combined): 15 credits.
2. Credit limitation on Workshop: 9 credits.
3. Required: One-half of the minimum requirements must be earned in 600-level courses.
4. All courses (including transfer credits) used in meeting requirements for a master's degree must be earned within seven (7) years prior to the awarding of the degree.

Track 3: Instructional Design and Training
Plan C**

Course Type	Name of Course	Instructor	Sem./Yr.	Credits	Grade
Research: 3 credit min.	IM 608: Research Methods in Media			3	
Total Credits in Research				3	
Major Core: 14 credit min.	IM 502: Information Media: Theory, Research and Practice			2	
	IM 504: Instructional Design I			3	
	IM 552: Access to Information			3	
	IM 554: Developing Skills for Online Learning			3	
	IM 555: Design and Preparation of Multimedia Presentations I			3	
Total Credits in Major Core				14	
Applications: 13-17 credit min.	IM 632: Training/Human Resource Development			2	
	IM 634: Instructional Design II			3	
	IM 638: Organizational Training and Media Management			3	
	IM 646: Facilitating and Administering E-learning			3	
	IM 656: Computer-based Authoring			3	
	IM 680: Internship			2-6	
Total Credits in Applications				13-17	
Electives: 5-9 credit min.					
Total Credits in Electives				5-9	

Course sequencing

Preliminary course work: Students should take IM 502, 554, and 632 early in the program.

Culminating course work: Students complete the program by taking IM 634, 680, and preparing the Plan C portfolio.

Minimum credits for graduation: 39 credits, plus portfolio

Program requirements:

1. Credit limitation on transfer and extension credits (combined): 15 credits.
2. Credit limitation on Workshop: 15 credits.
3. Required: One-half of the minimum requirements must be earned in 600-level courses.
4. All courses (including transfer credits) used in meeting requirements for a master's degree must be earned within seven (7) years prior to the awarding of the degree.
