

Advanced Driving Skills Course for Non-sworn Law Enforcement Personnel

by the
Minnesota Highway Safety & Research Center

The Advanced Driving Skills Course for Non-Sworn Law Enforcement Personnel enables participants to experience and practice real life scenarios in a controlled, safe environment, through the instructions of trained and experienced professionals. The behind the wheel training is conducted on a protected driving course with the use of MHSRC vehicles. The class consists of approximately five hours of behind the wheel training with one hour of class room instruction. The skills learned through the Advanced Driving Skills Course for Non-sworn Law Enforcement Personnel is ideal for the civilian, community service, non-sworn personnel and police reserve.

Training Includes

Problematic areas such as:

- Evasive Steering
- Steer and Brake Combinations
- Proper Use of Mirrors
- Clearing Intersections
- Crash Management
 - Backing
- Emergency situations
- Collision Avoidance
- Year Round Skid Control
- Anti-Lock Brake Use
- Maximizing Vehicle Control
 - Airbag Awareness
