

CRASH MANAGEMENT

The objective of this approximately three-hour classroom course is to analyze a **fatal accident** from the time of the accident through the time a lawsuit can occur.

Topics Include:

- What to do at the scene
- Emotions of the driver
- Management's role
- Law enforcement role
- Accident reconstructionists role
- Lawsuit preparation

This course is recommended for drivers, dispatchers, safety personnel, insurance carriers **and management** responsible for trucks and drivers. The cost is \$25 per attendee with a minimum class size of 30 people. Please call for out-of-state training prices.
