

OSHA/DOT Customized Training and/or Consulting

This program offers customers a process to customize mandatory annual training in these areas. The customers can put together any type of curriculum to accomplish their annual training needs. Areas may include:

- OSHA: AWAIR, Right to Know, Hazardous Material, Lock out Tag out, Fire Extinguisher,
- DOT: One on one roadside truck inspection
- Instructor also certified in First Aid, CPR, as well as AED.

CVOT has a consultant on staff that can audit programs for compliance
