HOW TRANSFER CREDIT WORKS

The intent of this report is to identify the transfer acceptance of your courses from other institutions.

The receiving university (SCSU) decides what credits transfer and whether these credits meet its degree requirements. The accreditation of both your sending and your receiving institution can affect the transfer of the credits you earn.

SCSU accepts credits from courses and programs that are similar in SCSU course goals, content, and level. Not everything that transfers will help you graduate.

LEGEND

- T The "T" indicates transfer.
- TC The "T" indicates transfer and the "C" indicates a grade of "C" or higher.
- T3 The "T" indicates transfer and the "3", "4", or "5" indicates the Advanced Placement score.
- NTD No courses with grades of "D" will transfer unless the transcript indicates a completed Associate of Arts Degree or the Minnesota Transfer Curriculum (MNTC).

.667 Courses on this report are on a semester based system. If the course from the sending institution was on the quarter based system it was converted using the formula 1 quarter credit = .667 semester credit. You may also see the abbreviation QTR/SEM.

The Grade Point Average from the sending institution does not transfer. The same course may count in more than one area but credit will only be counted on the first occurrence.

ONLY COURSES TAKEN AT ST. CLOUD STATE UNIVERSITY WILL CALCULATE INTO THE SCSU GRADE POINT AVERAGE.

INTENDED MAJOR:

NOTE: Report error to Records and Registration, AS 118.
