## Application for SCSU Study Abroad Scholarships

As a firm commitment to enhancing the international competence of SCSU students, the *Center for International Studies* holds three study abroad scholarship competitions per year. These scholarships are cash awards of \$250-\$1000. Any SCSU student interested in studying abroad for a short-term, a semester, or academic year on an SCSU or Non-SCSU program is eligible to apply.

To apply, please submit the completed scholarship application form along with an essay addressing the following four statements.

1. Describe your financial need for a study abroad scholarship.
2. Describe your academic honors and achievements along with any campus and/or community activities in which you are involved.
3. Describe your plans for using the scholarship.
4. Describe what you hope to achieve through your study abroad experience.

Selection will be based on the applicant's financial need, academic merit, and the quality of the application essay. Proof of acceptance to a study abroad program will be required before awards will be presented.
