

Do you feel sick?

**You may have the flu if you have fever or chills
AND
a cough or sore throat**

**You may also have a runny nose, body aches,
a headache, tiredness, diarrhea, or vomiting**

If you think you have the flu, stay home or in your residence. Contact your health care provider to determine if you should seek medical care.

Students call St. Cloud State University Health Services at (320)308-3191.

**For more information visit www.flu.gov
or call 1 (800) CDC-INFO (232-4636)**
