The Division of Student Life and Development • Funding

My involvement at St. Cloud State University has allowed me to grow as a student leader and gain valuable skills through hands-on experiences. I am currently pursuing a master's in counseling and serve as a graduate assistant for a new alcohol awareness program called U-Choose. I am very grateful for all of the support and contributions by those who have made it possible for me to receive such a rewarding experience here at St. Cloud State University.

KATY JO BATES, Class of 2010, Major: Marketing

I am grateful for the student scholarships that I have received here at St. Cloud State and I am inspired by your generosity. Your gifts have enabled me to continue my education and achieve my dreams. I look forward to the day that I will have an opportunity to contribute to other students' education as you have done for me. Thank you for your gifts!

President's Club

2010 - 2011

The President's Club is our most prestigious annual donor club. Membership in the club begins with a gift of \$1,000 or more to any St. Cloud State University Foundation fund. Last fiscal year, July 1 - June 30, more than 450 alumni and friends of the university honored their connection by making the hopes and dreams of our students become realities.

"Our students give life to our vision and inspire us to be bold and innovative as we build the alliances and create the opportunities that will help them attain their goals. They come to us with wonderful hopes and dreams, and it is our mission to show them how to tap their potential and prepare them for rewarding and meaningful lives. I invite you to join me in investing in their future and the future of our University by making a President's Club gift today."

EARL H. POTTER III, PRESIDENT

In 2010, we represented faculty and staff by serving as co-chairs for the on-campus University Campaign. We are proud to report that in 2010 we set records in faculty, staff and emeriti participation and dollars raised—33% participation and \$283,549 in dollars raised. Over the past two years, faculty, staff and emeriti have raised more than \$500,000 in support of students and programs at the University. Together we are making a brighter future for our students and our communities.
