

Kaleidoscope Playground

A Playground for All Abilities at Wilson Park

A regional playground designed to be accessible for people of all abilities.

A place where children and adults of all abilities can play and grow together.

A place where all children can build their physical strength, self-esteem, and social skills.

A way to break down the barriers that can develop between people from different backgrounds and abilities.

Thank you for all your support!

The Kaleidoscope project was created through a unique partnership with the St. Cloud State University Department of Community Studies, CMTY 195 Service-Learning Students, the St. Cloud East Side Boosters, the City of St. Cloud through its Park Department, and the Central Minnesota Community Foundation. For more information, please visit our website:

www.stcloudstate.edu/geontology/kaleidoscope

Please help us finish the job!

The playground will be opening this summer with a temporary surfacing. We are still working to raise money for the permanent, specialized poured-rubber surface for maximum accessibility and safety. Please help us finish this wonderful community playground! Please send your tax deductible contributions to:

**"The Kaleidoscope Fund",
Central MN Community Foundation
101 7th Avenue South, Suite 100
St. Cloud, MN 56301**

Portions of the playground are available for unique sponsorship opportunities - call (320) 308-5224 for details!
