

The Herberger College of Business presents its:

## EMERGING TOPICS SERIES

**NANCY E. REHKAMP**, PRINCIPAL IN THE HEALTHCARE PRACTICE, 

### Healthcare in the Age of Technology

December 3, 2008 • 4 - 5 p.m.  
Ritsche Auditorium, Stewart Hall

Please join us after the presentation for a reception  
from 5 p.m. to 6 p.m. in the Ritsche Auditorium Lobby

*"Health care has become a cornerstone of the presidential and local campaigns. The changes that will likely result from new leadership, public policy changes, advances in technology and an evolving economic landscape will result in major challenges for providers, payers and consumers. We believe it will take collaboration and significant effort by politicians, policy makers and providers to assure the public can access high quality, high value health care." - Nancy Rehkamp*

#### ACCOMPLISHMENTS:

- Currently a Principal in the Healthcare Practice at LarsonAllen, where she specializes in market strategy, and program and operational planning for acute and post acute health care organizations. Her knowledge and experience provides clients with an integrative perspective to health care planning and issues.
- Successfully merged two home care providers into HealthSpan Home Care and Hospice and grew the operation to more than \$45 million in patient revenues
- Held past positions such as, President, HealthSpan Home Care and Hospice; Senior Administrator of Abbott Northwestern Hospital; Executive Director of Sister Kenny Institute; Chief Operating Officer, River Falls Areas Hospital; Administrator for a nursing home owned by HealthOne Corporation (currently Allina Health System)
- 25 years of health care experience, including long-term care operations, acute care hospital administration, rehabilitation services, and home care and hospice management.
