

SHAC

Student Health Advisory Committee

Mission Statement: SCSU Student Health Services (SHS) seeks to provide quality medical care and educational programs to the student population. The SCSU Student Health Advisory Committee (SHAC) will assist SHS in being responsive to student and campus needs by serving as a liaison between SCSU students and SHS. The SHAC members will:

- provide input regarding Health Services policies and programs;
- solicit and respond to student views on health-related issues;
- share student concerns with Student Health Services staff;
- participate in collection and interpretation of student feedback and survey data and converting it into recommendations for future services, programs and facility needs;
- assist in relaying/disseminating information back to the campus community.

SHAC Membership: (16 members) SHS Director (ex-officio), SHS Assistant Director of Health Promotions and Marketing (ex-officio), one SHS peer educator, one SHS student employee, one faculty representative, one MSUAASF representative, one Residence Hall Staff, one student member from a Health-Related field of study, one student member from the Student Athlete Advisory Committee, one student member from Multicultural Student Services, one student member from International Studies, one student member from Student Government, one student member from Fee Allocation Committee, one student member from the St. Cloud Technical College, one Non-Traditional student member, one student-at-large member.

Terms: 2 year and 3 year

Committee Positions: Chair, Vice-Chair, Secretary

Meeting Schedule: Twice per month during the academic year

SCSU Student Health Advisory Committee (SHAC)

Student Membership Application
