Dr. Pamela L. Eddy,
*Associate Professor, Higher Education,
The College of William and Mary*

Dr. Eddy obtained her B.S. in Economics from Allegheny College, her M.S. from Cornell University in Resource Economics, and her Ph.D. in Higher, Adult and Lifelong Education from Michigan State University. She teaches courses in policy, higher education finance, organization and governance, community colleges, and women in education. Eddy primarily researches leadership within community colleges, more specifically regarding career pathways, gendered approaches, and mid-level leadership. She also conducted research in the U.S. and Ireland on the role of college partnerships and collaboration. Eddy also conducts research concerning faculty work and development. She has published on community colleges, faculty development, teaching and learning strategies, and gendered leadership.
