

2006 SCSU Student Survey Results

Since 1980, the SCSU Survey has been conducting local, regional and statewide scientific random sample telephone surveys. In 1997 we installed our CATI (computer assisted telephone interviewing system). About 10+ projects a year are done for clients in addition to the fall statewide SCSU Survey and the spring SCSU Survey of SCSU students. Additional data online: <http://web.stcloudstate.edu/scsusurvey/spr06freq.htm>
