Member Spotlight

Angie Klint, Minneapolis South High School

Instrument? I picked the flute when I was in 4th grade, I decided to play flute because it was smaller and easier to carry.

Major? I am going to be an Elementary Education Major with an Early Childhood Development Minor. This is my 2nd year at State.

Why did you join Husky Sports Band? I love playing music and don't want to lose the release that it gives me.

Favorite Song? My favorite song to play in band is *Hey Baby*—who doesn't love to sing?

Watching TV? I'm watching *Grey's Anatomy* and *House*. I love my hospital shows!

Time on Facebook? I spend way too much time on Facebook, probably 3-4 hours a day.

What's on your iPod? If you turn on my iPod, *I'm on a Boat* is probably going to play or the band *Never Shout Never* or the soundtrack to *Repo the Genetic Opera*.

Name one thing you would do if you could be invisible for one day: If I were invisible for 1 day, I would follow people around and just mess with them. Like when they set something down move it somewhere else, make them think they were going crazy. Now if I had any super power I would love to be able to read minds because I am always wondering what people really think in different situations or be able to see the future to see what will happen to my friends and I.
