BAND HELPS WITH HUSKY HAULERS

On the Saturday before school started the Husky Sports Band was out on campus; not to perform, but to help students move into the dormitories as volunteers with the Husky Haulers program. Band members helped direct traffic, carry items to and from the parking lots, and loaded elevators all day.

FIRST BAND CAMP A SUCCESS

Members of the Husky Sports Band moved into their campus dormitories a few days early this year to practice at the first ever Band Camp at St. Cloud State. The winds, percussion and color guard got to know each other, learned new music, and also got to the stadium to practice their marching. Special thanks to Ms. Diane Schellinger in the Department of Residential Life for all of her help making this happen!

ALUMNI BAND

The St. Cloud State Alumni Band begins Saturday, October 23rd, 2010 for our Homecoming football game at Husky Stadium!

- Morning practice with the Husky Sports Band.
- Eat lunch together in the new Atwood Alumni Room.
- Perform for tailgaters before the football game.
- Take the field to play alongside the Husky Sports Band!

MINNESOTA STATE FAIR WELCOMES DIXIELAND BAND

Only one-year into existence, the St. Cloud State Dixieland Band traveled to the Minnesota State Fair on Friday, September 3rd to perform outside of the Education Building. The Dixieland Band is composed of musicians from the Husky Sports Band and includes clarinet, tenor saxophone, trumpet, trombone, bass, tuba and percussion. Special thanks to Kristin Modrow in Alumni Relations for helping to coordinate our State Fair performance.

COLOR GUARD TAKES THE FIELD

Thanks to funding from the Student Government Association, the Husky Sports Band has purchased two new sets of flags and poles to restart the St. Cloud State Color Guard for the Fall 2010 semester!

Color Guard members have already been practicing for our home football games thanks to the leadership of Color Guard Captain Annaliesa Gecks (who has also been writing all of the new work!). For information on how to join contact:
