

Band Celebrates Third Birthday with Percussion Sponsorship

The St. Cloud State University Husky Sports Band celebrates their third birthday on Monday, March 2nd on-campus at the Performing Arts Center with birthday cake and music beginning at 12noon. In addition to this celebration the band is also proud to announce their new sponsor Silverfox Drumsticks and Grover Percussion from Woburn, Massachusetts.

“Silverfox has been making drumsticks for over 23 years and obviously, the Husky Sports Band uses a lot of drumsticks. This sponsorship allows our organization to save precious funds while still providing excellent equipment for our musicians,” said their Director, Mr. Glen Tuomaala.

The Husky Sports Band provides quality musical performances for athletic and campus events at St. Cloud State University. The band provides a challenging and exciting musical atmosphere for our members and promotes school spirit for the campus community.
