Achieve Your Potential.

Each year the Music Department offers up to \$50,000 in scholarships for all areas. These awards range in value from lesson credit fees to full tuition. Auditions are required and are most often held in February and March for the following academic year.

Scholarships are based on the entrance audition, one letter of recommendation, and any additional requirements specified by the area to which you are applying. While first year awards are available to all incoming students, priority will be given to intended music majors. All scholarship recipients are required to participate in lessons and a performing organization for the entire academic year.
