Text Translation

Tierra de luz (Earth of Light)

Text by Federico Garcia Lorca: "*The Passage of the Siguriya*"
Among black butterflies goes a dark girl
beside a white serpent of mist. Earth of light, sky of earth.
She goes chained to the tremor of a rhythm that never arrives;
she has a heart of silver, in her right hand a dagger.
Where are you going, Siguriya, with a headless rhythm?
What moon will gather up your sorrow of lime and oleander?
Earth of light, sky of earth.
