Procedure for Physical Education/DAPE Education Fields:

1. Place a check mark by the field experience you provided for SCSU field experience students or teacher candidates. Note: Student Teaching is listed for both 8 weeks and 16 weeks.
2. Give these documents to your local continuing education committee for acceptance and awarding of CEU points (please do not return them to SCSU). We understand that awarding CEUs is a local decision. The numbers behind each field experience are the required number of contact hours the mentor teacher shares with the SCSU student for that field experience.
