The Huskies Community

Typical Undergraduate Costs per Year Without Financial Aid for Full-Time, In-State Students (2006-2007)

St. Cloud State knows that a college education goes beyond the world of the classroom. Some of your best memories, in fact, may be made outside the classroom door. Maybe you'll make them as you quietly explore our 100-acre campus along the scenic Mississippi River or maybe they'll occur as you get involved in one or more of our nearly 250 student organizations. If your world includes athletics – as a spectator or participant – St. Cloud State University has opportunities and outstanding facilities to satisfy you. Whatever path you choose, your memories are just waiting to be made at St. Cloud State University.

Campus Safety [More](#)

The St. Cloud State University Public Safety Department is present as a support unit to the broader mission and goals of the university. It strives to provide the safest and most stable environment possible in which education may be pursued without the fear or presence of crime or violence. By supporting and educating students, employees, and visitors of the university in areas of personal safety and providing response in situations of need, Public Safety will be built on a foundation of proactive service and crime prevention that reflects and preserves the human dignity of those whom we serve.

In addition, institutions participating in the VSA program measure student involvement on campus using one of four national surveys. Results from the one survey are reported for a common set of questions selected as part of VSA. Following are the selected results from the August 2007 National Survey of Student Engagement (NSSE). The questions have been grouped together in categories that are known to contribute to student learning and development. The results reported below are based on the responses of seniors who participated in the survey.

[CLICK HERE](#) for information on the NSSE survey.

Group Learning Experiences

- 96% percent of seniors worked with classmates on assignments outside of class.
- 58% of seniors tutored or taught other students
- 23% of seniors spent at least 6 hours per week participating in co-curricular activities such as student organizations and intramural sports

Active Learning Experiences

- 84% of seniors spent at least 6 hours per week preparing for class
- 24% of seniors worked on a research project with a faculty member
- 45% of seniors participated in an internship, practicum, or field experience
- 61% of seniors participated in community service or volunteer work
- 15% of seniors participated in study abroad
- 97% of seniors made at least one class presentation last year

Institutional Commitment to Student Learning and Success

- 92% of seniors believe this institution provides support for student success
- 59% of seniors rated the quality of academic advising at this institution as good or excellent
- 62% of seniors reported that this institution provided help in coping with work, family and other non-academic responsibilities
- 94% of seniors reported working harder than they thought they could to meet an instructor's standards or expectations

Student Satisfaction

- 77% of seniors would attend this institution if they started over again
- 81% of seniors rated their entire educational experience as good or excellent
- 81% of seniors reported that other students were friendly or supportive

Student Interaction with Campus Faculty and Staff

- 50% of seniors believed that the campus staff were helpful, considerate, or flexible
- 73% of seniors believed that faculty are available, helpful, or sympathetic
- 95% of seniors reported that faculty members provided prompt feedback on their academic performance
- 72% of seniors discussed readings or ideas with faculty members outside of class

Experiences with Diverse Groups of People and Ideas

- 60% of seniors reported that they often tried to understand someone else's point of view
- 91% of seniors reported their experience at this institution contributed to their understanding people of other racial and ethnic backgrounds
- 42% of seniors often had serious conversations with students of a different race or ethnicity
