

GENERAL EMERGENCY PROCEDURES

- Consider your own safety.
- Protect and warn others as much as possible
- Call **911** and Public Safety (**308-3333**)
 - a. Describe the emergency (fire, medical, crime, etc.)
 - b. Give address and location of emergency and your phone number
 - c. Initiate and/or follow building's emergency plan

Campus Blue Light Phone System/Elevator Phones

To implement, push the button which will call SCSU Public Safety Dispatch (24-hours a day). Stand near the phone until the dispatcher has started communication. SCSU Public Safety Officers know the exact location from which your call was made and they respond to ALL blue light/elevator telephone activations.

SCSU's blue light/elevator phone system is intended for reporting serious incidents, crimes in progress, suspicious persons or any safety/security-related concern or need for service.
