

MEDICAL EMERGENCY

In the event of an accident or illness that results in an emergency:

YOU SHOULD:

1. Dial **911** and give:
 - Your name and phone number.
 - Building/campus location and room number.
 - Provide complete information concerning the nature of the accident or illness and the condition of the victim(s).
2. Call SCSU Public Safety (**308-3333**) to also respond and assist.
3. If an employee is injured, notify her/his office/department.
4. If a student is injured, notify Office of Student Life and Development.
5. If determined the individual is not affiliated with the University, notify SCSU Public Safety.
 - **DO NOT** move any injured or ill person unless life-threatening circumstances dictate. Instead, make the person comfortable until the emergency personnel arrive.
 - **DO NOT** give the injured or ill person any medications other than their own, at which time the person must provide at least verbal authorization.

NOTE: Some behaviors may appear to be drug or alcohol related, but may be due to medical conditions. Call **911** or SCSU Public Safety (**308-3333**) to respond.
