Subject: A-133 Audit

Date: 6/20/2011

For purposes of the single audit in Minnesota, the audited entity is the state rather than each state agency. As a part of the Minnesota State Colleges & Universities or MnSCU system our A-133 Audit is performed at the state level. The audit for Fiscal Year 2010 presented no material weaknesses, no material instances of non-compliance and no findings related to any federal grant/project awards or sub-awards. You can find the Single Audit Report for Fiscal Year 2010 at the Minnesota Department of Finance website:
