Briefly: SCSU professor earns fellowship

Times staff report

A St. Cloud State University professor was awarded a Bush Foundation Artist Fellowship.

It will allow her to explore new directions in her artwork. Assistant Professor Alexa Horochowski was among about 600 applicants for the award and one of 15 winners.

The \$44,000 grant can be used for solitary work, reflection, collaborative community projects, travel, research and other activities that contribute to the arts.

Horochofski has plans to take a leave of absence in the fall semester to work on her art and visit galleries and museums.

She has taught at St. Cloud State for three years as a multimedia artist.
