

The Penny Fellowship is sponsored by the Minnesota State University Student Association (MSUSA), which represents the more than 70,000 students attending Minnesota's seven state universities. Students with a 2.5 GPA, attending any MnSCU institution (state universities or community and technical colleges) are eligible.

Tim Penny Federal Public Service Fellowship

The purpose of this fellowship is to provide MnSCU students with the financial opportunity to grow as public servants through participation in federal government internships in the Washington D.C. area. Two fellowships of \$5,000 each will be given out to students for internships in Washington D.C.

Tim Penny State Public Service Fellowship

The purpose of this fellowship is to provide MnSCU students with the financial opportunity to grow as public servants through participation in Minnesota state or local government internships. Two fellowships of \$2,500 each will be given out to students for legislative internships or an internship in Minnesota at a state agency.

Once a fellowship is granted, the successful applicant has up to one year to implement an internship activity. The Board will require confirmation from the supervisor of the internship before funds will be released. Each successful applicant will be assigned a mentor from the Board, who will assist the student in finding an appropriate internship site.

Barbara Penny Community Service Scholarship

The purpose of the Barbara Penny Community Service Scholarship is to recognize MnSCU students who have demonstrated a commitment to community service, and to promote their growth as community leaders. The Penny Scholarship monetarily awards two students a year with up to \$1,500 each.
