

**The Minnesota Transfer Curriculum at SCSU**  
(Provisional - Effective Fall 2009 - Summer 2010)

**General information:**

SCSU accepts the completed Minnesota Transfer Curriculum as fulfilling all lower division General Education requirements. We also provide an opportunity for students who wish to transfer to complete the Minnesota Transfer Curriculum here at SCSU.

The SCSU MN Transfer Curriculum is a slightly modified version of the standard SCSU General Education program.

Note: All programs must fulfill all ten goals and must total at least 40 credits.  
Note: Please see the the University Honors Program for Honors courses that also are applicable to the MTC.

**For students who have completed part of the MTC and then transfer to SCSU:**

1. Students are not required to repeat any goals they have already fulfilled, and will be allowed to select from the list above courses to complete the ten MTC competencies.
2. Students must have completed or must complete at SCSU the equivalent of all university requirements. These currently include three Diversity courses, one of which must be a Racial Issues course taken during the first year of enrollment, and a one-credit physical education course (PESS 122) based on concepts of wellness and/or fitness and the upper division writing requirement. Completion of the MTC at SCSU does not exempt students from these requirements.  
**NOTE:** Students who transfer to SCSU with the MTC **completed** are not subject to the Racial Issues/Diversity requirement, though they remain subject to the Wellness/Fitness requirement.
3. Students' combined transfer and SCSU General Education/MTC courses must equal at least 40 credits.
