

Department of Residential Life
Husky Hauler Student Organization/Group Registration Form

Fall 2009

On Saturday, August 22 nearly 2400 first year students will move into the Residence Halls and become part of the SCSU community. We would like to extend an invitation to returning SCSU students to take part in welcoming our new students.

Residential Life is looking for groups such as recognized student organizations, athletic teams, etc., to volunteer on move-in day together. This is a great way to increase visibility for your group and interact with students who may be interested in learning more about your organization or how to support your team.

***Each group must submit a group registration form and then each volunteer must submit an individual application.**

Benefits include:

- Priority move-in for Husky Haulers who are living on campus on Friday, August 21.
- A complimentary Husky Hauler T-shirt.
- Volunteer hours to your co-curricular transcript.

Expectations:

- Attend a Husky Hauler informational meeting the afternoon on Friday, August 21 to receive your assignments and instructions for making move-in day a great experience for our new students.
- Be available for at least one 4-hour shift on Saturday, Aug. 22 to help new students move in.
- Be enthusiastic, positive and willing to help.

Application Deadline: Friday, August 7, 2009

Please submit this portion of the application to the Department of Residential Life in Carol Hall by
