# Break Housing Information

The following is important information that you should know since you are staying in the residence hall over break, please read carefully!

**Doors and Security:** The front doors and entryways will be locked 24 hours a day during break. You will need your ID and entrance key to gain access to the building. All Benton and Stateview entrances will be locked during break also. **Daytime admittance: You must stop to show your ID to the Desk Assistant or Night Security Staff stationed at the entry door.**

**All Break Housing Residence Halls will have Night Security staff from 7pm - 6am, as usual. Again, you will need to present your ID upon entry into the residence halls during evening and night hours.**

**The Department of Residential Life will be open in Carol Hall from 8am - 4:30pm University weekdays, except holidays please call 308-2166.** Public Safety is also open 24 hours a day during break, available at 308-3333.

**CA Staff...** At any given time, there will be CA on duty in your building. If you have a problem or concern, please call the front desk and they will notify a CA for you.

**Policies...** Policies remain the same over break. If staff members see violations of policy they will document the situation. If your guests are involved you will lose the privilege to host guests over the remainder of the break. Guests are permitted to visit on a short-term basis and must be registered upon entry. They are not allowed to stay in your room with you over the entire break.

**Front Desks...** desks will be open for service at regular hours, 6am - 12midnight in each hall. You will be able to check out items from the desk. The mail will be sorted and put in mailboxes throughout the break as normal.

**Food...** Garvey is not open over break. See the Fall Break Hours flyer or call Atwood information at 308-3822 for specific venues and hours. The kitchens in your hall will be open during break. It is important to keep the kitchens clean! DO NOT leave food unattended when cooking. Double check to make sure that all burners and ovens are off when you're finished.

**Cleanliness of Building...** Break is the time when hall custodians catch up on large cleaning projects. When you are using kitchens and lounges, please be respectful and clean up after yourselves. It is much appreciated.

**Thanksgiving Dinner sponsored by Residential Life for the residence hall students and staff on campus will be held at Lawrence Hall at 4:00pm.**

Thanks for your cooperation! Have a safe and relaxing Break!
