ORDER FORM

National Residence Hall Honorary

St. Cloud State University Chapter

NRHH represents the top one percent of student leaders living on the SCSU campus. These leaders have maintained a strong academic focus while devoting extraordinary amounts of time and energy in order to strengthen their residence hall communities.

The St. Cloud State chapter of NRHH is primarily a recognition based organization. It sponsors recognition activities on campus and hosts an annual induction ceremony for new members each spring. The SCSU chapter also sponsors an annual scholarship in an effort to acknowledge the hard work and contributions of our top student leaders.

The money raised from the sale of Birthday Bashes will be utilized to sponsor the SCSU NRHH chapter in their endeavors to acknowledge and celebrate the contributions of residence hall student leaders.

Dear Parent(s):

Each year the SCSU chapter of the National Residence Hall Honorary (NRHH) sponsors the Birthday Bash program; a special way for you to send a surprise to your student on their birthday!

Each Birthday Bash package consists of a bakery fresh, one pound cookie cake: either chocolate chip or M&M. It also includes a specially designed birthday bucket filled with microwave popcorn, noise makers, and assorted birthday novelties. All of this, accompanied by a mylar birthday balloon will be delivered to your student's room on their special day.

The Birthday Bash program is the primary fundraiser for SCSU's chapter of the National Residence Hall Honorary. Proceeds go to support student leadership initiatives in the residence halls. This includes programs like student scholarships, student of the month recognition programs, and attendance at annual leadership conferences.

To order a Birthday Bash for your son or daughter, just complete the form on the right-hand side of this brochure. There is space on the back of the order form to include a personal message to your student that will be included with the Birthday Bash.

Send the form and \$20.00 check, payable to NRHH:

**Residential Life Office, Carol Hall
NRHH
720 4th Ave. S.
St. Cloud, MN 56301**

All orders must be received at least five days prior to the birthday. Unfortunately, we cannot accept orders over the phone. Due to students' schedules, there will be no delivery on weekends, during finals weeks or during break periods. For fall semester, we cannot deliver during the Fall Break (Oct. 14-17) or the Thanksgiving Break (Nov. 24-28). The final date for fall semester delivery will be December 10. During the spring semester, we cannot deliver during Spring Break (March 5-13). The final date of delivery for spring semester will be April 29. If you have questions, please contact us at (320) 308-4698.

We hope you take advantage of this wonderful service. It's a great opportunity to celebrate your student's special day while supporting leadership initiatives in your student's residence hall.

Sincerely,

Jereme Seefeldt
President, NRHH
