

# First Year Student Scholarship Application

## Fall 2012 Entering Class

At SCSU we value the academic inquisitiveness talented students bring to our campus and recognize the contributions they make to our university community. Submitting this completed application allows new first year students to be considered for scholarships provided by friends and alumni of the University, which require additional information not provided on the application for admission.

Students must be admitted to SCSU as degree-seeking students to be eligible for scholarships. Scholarships which require financial need as a component of their criteria must have filed a FAFSA with SCSU by March 1 to be considered.

Students selected as recipients of foundation-sponsored awards will be notified in March.

**Students should only apply for scholarships for which they meet the posted criteria. Please read through the award descriptions online at: [www.stcloudstate.edu/scsu4u/financing/first-year.asp](http://www.stcloudstate.edu/scsu4u/financing/first-year.asp) and indicate below the awards you are applying for. Please note some awards require financial aid applications and/or essays.**

### NON RESIDENT TUITION SCHOLARSHIP & LEGACY TUITION WAIVER

Non-Resident Tuition Scholarships are awarded to first year students who do not otherwise qualify for in-state or reciprocity tuition. Recipients pay the equivalent of in-state tuition. Recipients must rank in the top 15% of their graduating class or have earned a composite score of 25 or above on the ACT (1140 SAT) (excluding writing). All students who meet the requirement will be automatically awarded the scholarship based upon the application for admission. There is no deadline for this award.

Legacy Tuition Waivers are available for students from non-reciprocity status who are not otherwise receiving in-state tuition rates. Students whose parent, step-parent or adopted parent graduated from SCSU are eligible for this award, which enables recipients to pay the equivalent of in-state tuition. Students can apply for the award by submitting this application.
