Spring Break:	March 3 – 7 th
Finals:	May 5 – 9th
Spring Grades Posted:	May 22 nd
Fall 2008 Classes Start:	August 25th (Note early start date)

REMINDERS

SCSU fall PSEO grades are enclosed. Please remember that faculty is not required to submit spring grades until May 15th, and they will generally not be available until **May 22nd**. Your students will have direct access to them at that time online and possibly sooner, depending upon the instructors. We will do our best to send grades as soon as possible, as we realize you need them to determine class ranks, eligibility and to provide good advising to your students. As in previous years, we will again mail the student transcripts to your schools.

All Notice of Registration (3 part) forms for returning students need to be submitted before **January 30th**. In following this date, we hope to maintain accurate files for the students and our office.

The SCSU official means of communication with students is through their SCSU **HuskyNet email address**. If you are working with a student who feels they are not being informed of upcoming events, deadlines or activities, please remind them to check their SCSU email for important announcements. Students can register for their email accounts online at: <https://www5.stcloudstate.edu/its/activateaccount/>

Students who fall below the 2.0 cumulative GPA are ineligible to return to SCSU for spring semester. Students will be notified via mail, and you will also be receiving copies of the letters.

PSEO PROGRAM UPDATES

Online Courses: If you have students interested in taking online courses at SCSU through our PSEO program, please have them contact a PSEO Team member. Students must work with a PSEO Counselor and staff from the Continuing Studies Office prior to enrolling in online courses. Students will be limited with the number of online courses they may enroll in – it is our goal to ensure student success in these courses.
