## PSEO PROGRAM UPDATES

Beginning for fall 2008, PSEO students will be required to submit their Notice of Registration forms **before** they will be allowed to register. We hope this will prevent the need to contact you to send duplicate forms for our records. This will also alleviate the issues some PSEO students are facing by having outstanding bills.

Also beginning fall 2008, PSEO students will be required to take the **Accuplacer** assessment prior to course registration. This will be built into our Orientation program and is something our entire campus is currently implementing.

We appreciate your patience in implementing these new policies. Please feel free to contact us at any point with questions or concerns. We will keep you posted of any upcoming changes to these new policies as they develop. Thank you for your cooperation.

As a reminder, PSEO students are now eligible to take a limited number of online credits. Please have your students contact a team member for further details and registration.
