Dear Cassie:

Presidents of member institutions of the Minnesota Campus Compact present annual awards in recognition of exceptional work in the field of civic engagement in higher education. I requested nominations from our campus community and those nominations have been screened by a committee consisting of two students, three faculty, one staff member, and three community partners. You were nominated for your assistance to the Somali community through Lutheran Social Services and LaCruz.

I am pleased and honored to select you for the 2011 Presidents' Student Leadership Award, which is in recognition of an individual student or a student organization that models a deep commitment to civic responsibility and leadership, evidenced by initiative, innovative and collaborative approaches to addressing public issues, effective community building, and integration of civic engagement into the college experience.

Your award will be presented at the Minnesota Campus Compact annual summit and awards luncheon on Tuesday, June 14 at St. Catherine University in St. Paul. More information about this event will be sent to you from the Minnesota Campus Compact office. If you have any questions, contact John Hamerlinck, Associate Director of Minnesota Campus Compact, 308-4271, john@mncampuscompact.org.

Congratulations and thank you on behalf of our community.

Sincerely,

Earl H. Potter III
President
