**Double Counting:** A student may count a course for credit in the general education program and in the major if the course is a requirement for that major. The credits count only once towards graduation.

**Waivers:** If a student takes six credits in a department which are not general education courses, the student may waive three credits of general education in that same department. In foreign languages, nine credits may waive six. This does not reduce the total credits required for graduation.

CHECK WITH THE INDIVIDUAL DEPARTMENT. NOT ALL DEPARTMENTS ALLOW WAIVERS AND DOUBLE COUNTING.

NOTE: Some majors require particular general education classes. See the department before making course selections.
