ITS Annual Potluck

Join ITS for our annual "Day of Food" winter potluck on Tuesday, December 10th, between 11:30am and 1:00pm in Miller Center 112.

We look forward to this event every year as it brings a great opportunity to connect with our campus community and enjoy some delicious food. We hope to see you there, feel free to bring a dish to share!

D2L BrightSpace Spring Course Shells

Faculty and instructors can request D2L Brightspace course shells for spring semester. Log in to the Faculty Course Request using your StarID and password, and select the appropriate term to request your courses.

If you have any questions, please email D2L@stcloudstate.edu.

IT Security Tip

Keep your guard up during the holiday season. To protect yourself from cybercrime, be aware of scams such as emails with fraudulent transactions, deals or surveys.

As always, do not click on unfamiliar links or reply to suspicious emails as this can lead to attempts to obtain personal information or infect technology devices.

Did You Know?

Larry Tesler is credited as the inventor of the "cut", "copy" and "paste" computer functions.
