

## **K-12/Secondary Education**

Submitted by Coordinators  
Bev Kochmann and Sue Haller

### **October 15, 2014**

3:00 - 4:30, EB A123

Presenter: Michael Pickle  
edTPA

#### Notes:

Dr. Pickle informed the group about the resources available to faculty and answered questions.

Programs represented: math, science, music, driver education

### **October 22**

3:00 - 4:30 EB A A123

Presenter: Kathy Dahlberg  
Assessment and planning

#### Notes:

Kathy discussed the assessment and planning and answered questions.

Programs represented: math, science, tech education

**November 24**

3:00 - 4:30, ISELF 109.

Presenters: Sue and Bev, and Mary Beth Noll

Discussion of the dropping HEALTH 301 (health) and ED 451 (literacy)

Mary Beth Noll

Will up-date the group about the HLTH 301 and ED 451.

Notes:

Each program needs to monitor the curriculum process for HLTH 301 and ED 451. Department chairs will get an email about the requested changes. This process is a very slow process.

Programs represented: art, health & physical education, math, music, secondary education, special education, tech education, traffic safety, science, social studies, Rita Moore (Records and Registration).

**December 17 and 18**

Bev met with K-12 and secondary education students who will be student teaching Spring 2015. Students were informed about the process of registering for ED 451 (Literacy course) during spring 2015. Questions were answered.

## **January 25**

3:00 - 4:30, ISELF 109

Presenter: Kathy Dahlberg

Proposed Federal Regulations and the impact on SCSU

### **Notes:**

The Proposed Federal Regulations was shared followed by a discussion on what each of us can do. Information about the letter writing process was shared.

**Programs represented:** art, health & physical education, math, music, Teacher Development (secondary education), special education, tech education, traffic safety, science, social studies, Rita Moore (Records and Registration).

## **February 15**

3:00 - 4:30, ISELF

Presenter: Mert Thompson
