Notes:

Retention Rate measures the percentage of new students who were enrolled full-time during their first fall term that were still enrolled for their second fall term on the 30th day of classes.

Cohorts are based on students enrolled full-time during their first fall semester on the 30th day of classes.

¹ The Division of General Studies (DGS) program transitioned to the name Academic Collegiate Excellence (ACE) program beginning with the fall 2013 term.
