Study Abroad

NEG - New Entering Graduate

Online

S2S - Senior to Sophomore - The [Senior to Sophomore Program](#) (S2S) is St. Cloud State's concurrent enrollment program. S2S is a partnership with participating high schools and the university which allows eligible high school students to enroll in introductory college-level courses in their high schools.

S2S students are considered St. Cloud State students since they are enrolled for credit and will be counted in enrollment reports.

PSEO - Post Secondary Enrollment Option - The Post-Secondary Enrollment Options Program is the program established by [Minnesota State Statutes 124D.09](#) to "promote rigorous educational pursuits and provide a wider variety of options for students." Through PSEO, high school students may earn both secondary and postsecondary credit for college or university courses completed on a college or university campus, at a high school, or at another location.

St. Cloud State offers high school students the ability to earn credit for college courses both on campus and in high schools.

High school students who are enrolled in courses on the St. Cloud State campus are labeled PSEO students and students who are enrolled in courses in their high school are considered [Senior to Sophomore](#) students, although both cases fall under the PSEO program.

PSEO students are considered St. Cloud State students and are counted in all enrollment reports.

NEF - New Entering Freshman - A student who has no prior postsecondary experience attending any institution for the first time at the undergraduate level. It also includes students enrolled in the fall term who attended college for the first time in the prior summer term, and students who entered with college credits earned before graduation from high school. (IPEDS)

NET - New Entering Transfer - A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). For Minnesota State, defined as a student obtaining and transferring in 24 or more college credits obtained at a postsecondary institution (change Fall 2013 – prior was defined as 12 credits).
