**Definitions:**

**First Generation (MN)** - A student, neither of whose parents received any postsecondary education.

**Graduate Full Time** - A student enrolled in 9 or more semester credits (IPEDS).

**Graduate Part Time** - A student enrolled for fewer than 9 credits per semester (IPEDS).

**Integrated Postsecondary Education Data System (IPEDS)** - It is a system of interrelated surveys conducted annually by the U.S. Department’s National Center for Education Statistics (NCES). IPEDS gathers information from every college, university, and technical and vocational institution that participates in the federal student financial aid programs. The Higher Education Act of 1965, as amended, requires that institutions that participate in federal student aid programs report data on enrollments, program completions, graduation rates, faculty and staff, finances, institutional prices, and student financial aid (IPEDS).

**New Entering Freshman (NEF)** - A student who has no prior postsecondary experience attending any institution for the first time at the undergraduate level. It also includes students enrolled in the fall term who attended college for the first time in the prior summer term, and students who entered with college credits earned before graduation from high school. (IPEDS)

**New Entering Graduate (NEG)** - A student that is attending the institution for the first time at the graduate level. It also includes students enrolled in the fall term who attended the institution for the first time at the graduate level in the prior summer term.

**New Entering Transfer (NET)** - A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). For Minnesota State, defined as a student obtaining and transferring in 24 or more college credits obtained at a postsecondary institution (change Fall 2013 – prior was defined as 12 credits).

**Online** - A student who enrolled in at least one credit of a course that has a media code Predominantly Online (03), Completely Online-Asynchronous (12), or Completely Online-Synchronous Meetings (13)

**Pell Eligible** - Students who qualify for the federal Pell Grant program.

**Persistence** - A measure of the rate at which students persist from one semester to the next, not including summer (i.e. Fall to Spring or Spring to Fall)

**Post Secondary Enrollment Option (PSEO)** - The Post-Secondary Enrollment Options Program is the program established by Minnesota State Statutes 124D.09 to "promote rigorous educational pursuits and provide a wider variety of options for students." Through PSEO, high school students may earn both secondary and postsecondary credit for college or university courses completed on a college or university campus, at a high school, or at another location. St. Cloud State offers high school students the ability to earn credit for college courses both on campus and in high schools. High school students who are enrolled in courses on the St. Cloud State campus are labeled PSEO students and students who are enrolled in courses in their high school are considered Senior to Sophomore students, although both cases fall under the PSEO program. PSEO students are considered St. Cloud State students and are counted in all enrollment reports.

**Retention** - A measure of the rate at which students persist in their educational program at an institution, expressed as a percentage. For four-year institutions, this is the percentage of first-time bachelors (or equivalent) degree-seeking undergraduates from the previous fall who are again enrolled in the current fall. For all other institutions this is the percentage of first-time degree/certificate-seeking students from the previous fall who either re-enrolled or successfully completed their program by the current fall. (IPEDS)

**Senior to Sophomore (S2S)** - The Senior to Sophomore Program (S2S) is St. Cloud State’s concurrent enrollment program. S2S is a partnership with participating high schools and the university which allows eligible high school students to enroll in introductory college-level courses in their high schools. S2S students are considered St. Cloud State students since they are enrolled for credit and will be counted in enrollment reports.

**Special Student** - Any non-degree seeking student

**Study Abroad** - A student enrolled in credits only at courses with a site id of study abroad (0076).

**Undergraduate Full Time** - A student enrolled in 12 or more semester credits (IPEDS).

**Undergraduate Part Time** - A student enrolled for fewer than 12 credits per semester (IPEDS).
