Pell Eligible - Students who qualify for the federal Pell Grant program.

Persistence - A measure of the rate at which students persist from one semester to the next, not including summer (i.e. Fall to Spring or Spring to Fall)

Post-Secondary Enrollment Option (PSEO) - The Post-Secondary Enrollment Options Program is the program established by Minnesota State Statutes 124D.09 to "promote rigorous educational pursuits and provide a wider variety of options for students." Through PSEO, high school students may earn both secondary and postsecondary credit for college or university courses completed on a college or university campus, at a high school, or at another location.
St. Cloud State offers high school students the ability to earn credit for college courses both on campus and in high schools. High school students who are enrolled in courses on the St. Cloud State campus are labeled PSEO students and students who are enrolled in courses in their high school are considered Senior to Sophomore students, although both cases fall under the PSEO program.
PSEO students are considered St. Cloud State students and are counted in all enrollment reports.

Retention - A measure of the rate at which students persist in their educational program at an institution, expressed as a percentage. For four-year institutions, this is the percentage of first-time bachelors (or equivalent) degree-seeking undergraduates from the previous fall who are again enrolled in the current fall. For all other institutions this is the percentage of first-time degree/certificate seeking students from the previous fall who either re-enrolled or successfully completed their program by the current fall.
