

Open to teaching faculty from *all* higher education institutions

2024 Virtual Antiracist Pedagogy Across the Curriculum (ARPAC) workshop

May 31 (8:30 am – 4:30 pm) and June 3-7 (1-4:30 pm)

Please join us for the award-winning ARPAC workshop. ARPAC provides intensive professional development for faculty committed to incorporating antiracist pedagogy into their courses.

ARPAC engages faculty in an analysis of systemic racism and provides a conceptual framework focused on antiracist pedagogy for a rigorous and relevant curriculum.

We encourage teams of 2-5 faculty per institution to attend ARPAC. A limited number of scholarships are available for faculty from Minnesota State Colleges and Universities. For more information and registration materials, visit the website: stcloudstate.edu/arpac
